How's the fishing in North Dakota?

To find out, call (800) ASK-FISH from anywhere in the country and get free recent fishing reports on our major waters and timely tips on local hot spots.

The fast current changes the Missouri River's flow constantly,

sometimes challenging even the best anglers' navigating ability. The walleye fishery in the Missouri River is one of North Dakota's local secrets, with only a 2-percent usage by nonresidents.
